From Tad Pfeffer I am working on a study of 19th Century roads and houses in the Town of Randolph. I am seeking old photos, maps, drawings, deeds or surveys, and documentation generally on the shape and appearance of Randolph between its founding in 1824 and ca. 1915. If you have any relevant materials squirreled away in your Randolph house that you are willing to share (just the information - not the actual documents!) please contact me at tad@colorado.edu with subject line "Randolph History."

NEW! Randolph Foundation Grant Deadlines. The Randolph Foundation Board meets once every two months. For ample time to discuss and review each grant request, please note the following deadlines for submission:
Deadline January 1 (for grant review January 1 – April 30)
Deadline May 1 (for grant review May 1 – August 31)
Deadline September 1 (for grant review September 1 – December 31)
